بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allaah, the Most Merciful, the Bestower of Mercy

With regards to the definition of fisq, Shaykh Muhammad ibn Saalih al ‘Uthaymeen (رَحْمَةُ اللَّهِ)¹ states:

And the linguistic meaning of fisq is: khurooj (to leave or emerge).

And by way of this (it is said) the fruit fasaqat (emerged) from its rind – meaning it emerged and came out from it.

And in its technical sense, (fisq means): performing a major sin or persisting upon a lesser sin... So fisq according to the Legislation is to perform a major sin or to persist upon a lesser sin.

If a person commits zinaa (fornication) he becomes a faasiq (person of fisq).

If he persists upon smoking then he becomes a faasiq.

If a person drinks an intoxicant only once he becomes a faasiq because this is a major sin.

(“Sharh of Safaariniyyah ”of Muhammad ibn Saalih al ‘Uthaymeen (رَحْمَةُ اللَّهِ), quoted in Mu’jam at Ta’reefaat p328)

¹ (رَحْمَةُ اللَّهِ) (rahimahullaah) May Allaah the Most High have mercy on him
