[Kutub wa rasaail Al-'Uthaymeen (8/117)]

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allaah, the Most Merciful, the Bestower of Mercy

Shaykh Muhammad ibn Saalih al-'Uthaymeen (رَحِمَهُ اللهُ)<sup>1</sup> said:

“And it is not possible for them to reclaim it except with the name of Islaam and based on what the Prophet (ﷺ) and his companions were upon, just as Almighty Allaah said:

[إِنَّ الْأَرْضَ لِلَّهِ يُورِثُهَا مَنْ يَشَاءُ مِنْ عِبَادِهِ وَالْعَاقِبَةُ لِلْمُتَّقِينَ]

[To Allaah belongs the Land, He grants it to whomever he wishes among his slaves and the good end is for the pious ones.]<sup>2</sup>

And no matter how much the Arabs try, no matter how much they fill the world with slogans and protests, they can never be successful until they call to the expulsion of the Jews under the name of the religion of Islaam, after already applying Islaam themselves. If they do this, they will achieve what the Prophet (ﷺ) informed them, that:

[The Last hour will not come until the Muslims fight the Jews and the Muslims will Kill them until each Jew will hide behind stone and rock and the stone or rock will say: O Muslim! O Slave of Allaah! There is a Jew behind me, come and Kill him.]<sup>3</sup>

The stone & tree will direct the Muslims to the Jews saying: “O Slave of Allaah” -with the name of servitude to Allaah- and it will say: “O Muslim” -with the name of Islaam-.

And the Prophet (ﷺ) said: “The Muslims will fight the Jews” and he did not say ‘the Arabs’.

That is why I say, we can never eliminate the Jews under the name of Arab nationalism. Never! We will never eliminate them except under the banner of Islaam, and whoever wishes, let him read the statement of Allaah:

[وَلَقَدْ كَتَبْنَا فِي الزَّبُورِ مِنْ بَعْدِ الذِّكْرِ أَنَّ الْأَرْضَ يَرِثُهَا عِبَادِيَ الصَّالِحُونَ]

[And indeed we have written in Az-Zaboor after Adh-dhikr (Book in the heavens) that the land shall be inherited by my righteous servants]<sup>4</sup>

<sup>1</sup> (رَحِمَهُ اللهُ) (rahimahullaah) May Allaah have mercy on him

## How to free Palestine

So, He granted inheritance to His righteous servants, and whatever is attached to a quality is found with the presence of that quality and disappears with the absence of that quality. So, if the righteous servants are granted it with ease and comfort – without all these suffering, hardship, calamity, and never ending talks, we can only have access to it with the help of Allaah and by Allaah's decree, and how easy that is for Allaah!

And we know that the Muslims did not control Palestine during the golden era of Islaam except by implementing Islaam, and they did not conquer the capital of Persia nor the capital of Rome except through Islaam. For this reason, let our youths embrace the full understanding that, it is not possible to have an absolute victory except by observing the true Islaam – not the Islaam of mere identity Card.

And I say, although full knowledge belongs to Allaah, it is not possible to reclaim Shaam (Levant) -especially Palestine- except through the same way it was conquered in the early days of this Ummah, with a leadership like the leadership of 'Umar ibn Khattaab may Allaah be pleased with him, and an army like the army of 'Umar ibn Khattaab may Allaah be pleased with him. They will not fight except to make the word of Allaah the most high. If this should happen to the Muslims, then they can fight the Jews until the Jew will hide behind the tree, and the tree will call out: **“O Muslim! O Slave of Allaah! Here is a Jew behind me, come and kill him.”**

However, as long as people continue to see this conflict between us and the Jews as a national or ethnic strife, we would never be successful, because Allaah does not help except those who help Him, just as Allaah said:

وَلَيَنْصُرَنَّ اللَّهُ مَن يَنْصُرُهُ ۗ إِنَّ اللَّهَ لَقَوِيٌّ عَزِيزٌ \* الَّذِينَ إِذَا مَكَتَهُمْ فِي الْأَرْضِ أَخْلَلُوا الصَّلَاةَ وَءَاتَوْا الزَّكَاةَ وَأَمَرُوا  
بِالْمَعْرُوفِ وَنَهَوْا عَنِ الْمُنْكَرِ ۗ وَلِلَّهِ عَاقِبَةُ الْأُمُورِ

**["Surely, Allaah will help those who help him, surely Allaah is powerful and mighty. Those whom if we establish them on the land, they establish the Prayer, give the Zakaah, command what is good and forbid what is bad and to Allaah returns all affairs"]<sup>5</sup>**

If we are to look at the onset of this Ummah, we see that it became victorious on the basis of Tawheed, sincerity to Allaah, following the messenger of Allaah (ﷺ), avoiding nonsense issues, bad habits, obscenity, evil, and imitating the enemies

The problem now is that there are some of the people who think that imitating the Kuffaar is victory, and they think that returning to what the Prophet (ﷺ) and his companions were upon is backwardness, just like what the early ones said:

## How to free Palestine

[وَإِذَا رَأَوْهُمْ قَالُوا إِنَّ هَؤُلَاءِ لَضَالُّونَ]

["and when they see them, they say, those ones are misguided"]<sup>6</sup>

It is therefore obligatory on us O my brothers that we return to read and reflect on what has passed since the onset of this Ummah so that we may uphold what they upheld, -servitude- then, we might be granted victory.

And I say and repeat:

It is obligatory on us to beware of the evils of our souls and the evils of the Kuffaar, the Munaafiqoon and their followers, and we pray to Allaah to grant you and us victory in this religion and help us with it and help it with us and make us among his friends and his party, he is indeed generous. Peace, mercy and blessings be upon our prophet Muhammad, his household and entire companions."
