In the Name of Allaah the most Kind the most Merciful

Shaykh Ibn Uthaymeen (رَحِمَهُ اللَّهُ)¹ said, “Spending wealth while alive and in good health is better, more excellent and greater in reward, especially when it is spent on a good deed that is continual, like building a mosque, fixing roads, securing [the provision] of water, printing beneficial books or buying them and distributing them to those who will benefit from them.”²

¹ (رَحِمَهُ اللَّهُ) (rahimahullaah) May Allaah the Most High have mercy on him
